## Brunswick County Parks and Recreation Updates:

**Brunswick County Parks and Recreation has a ten year comprehensive master plan!** In October 2008, Brunswick County engaged the services of Lose & Associates, Inc. to produce a ten-year comprehensive master plan. Several public meetings, forums, and a community survey distributed to 2500 randomly selected households throughout the county gave Lose & Associates the insight into the citizen's desires and perceptions of the Department. Public input is the driving force behind all master plans and 82% of all residents responding to the main survey agreed that "having quality parks and recreation facilities is important to a community. If you would like to learn more about our programs and staff or would like to view the entire master plan, please visit our website [www.brunsko.net](http://www.brunsko.net) (parks and recreation) or call 910-253-2670.

**Brunswick County Parks and Recreation gets a new logo.** Voted on by the parks and recreation staff and adopted in Spring of this year we are proud to introduce the new look of Brunswick County Parks and Recreation. This new logo will help citizens of Brunswick County easily identify Brunswick County Programs and will create a new unified image for the department.

*Dear Brunswick County Citizens:*

*As Director of Parks & Recreation for Brunswick County, I would like to thank you for your interest in our parks and recreational programs. Our parks system presently features 10 county parks located geographically throughout the county, and we are pleased to announce the opening of 3 new parks during the later half of 2009 (Ocean Isle Beach Park, Cedar Grove Park and Brunswick Nature Park). We also offer recreation programs in the areas of athletics, special populations, fitness, seniors and community events.*

*This programming brochure was developed to provide a list of upcoming program offerings on a seasonal basis. We also encourage you to visit our website at [www.brunsko.net](http://www.brunsko.net) (Parks & Recreation Department) to obtain specific information about our parks, programs and staff.*

*Our mission is to promote quality of life for all by offering safe parks and facilities, creative recreation programs, quality community relations, while fostering a keen stewardship towards the environment. Our staff take pride in carrying out this mission so you can enjoy your "fun" time.*

*Best wishes,  
Jim Pryor, CPRP  
Director of Parks & Recreation*

### SHALLOTTE YOUTH SOCCER

Registration for the Fall 2009 and Spring 2010 Shallotte-area recreational youth soccer program has begun. To register a player, parents may go to the Shallotte Youth Soccer website, [www.shallottesoccer.org](http://www.shallottesoccer.org), to download and print a registration form. Forms and payments should be mailed in to SYS by July 31, 2009. Players whose registration forms are received by SYS after July 31, 2009 will be placed on a waiting list. Recreational youth soccer is open to both boys and girls. SYS does not restrict players based on geographical boundaries. Players can be no younger than 4 years of age by August 1, 2009. Age groups for recreational soccer are U-6 (4-5 years old), U-8 (6-7 years old) and U-11 (8-10 years old). Players older than 10 years of age will be placed on teams with their age group (U-12 or U-14) based on how many players of that age register. Teams play through fall (Sept. - Nov.), take winter off and continue in spring (Feb.-March). Most matches are played on Saturday mornings. U-8 and U-11 will play some matches on weeknights. All age groups have the probability of practices on weeknights. Parents with questions can call the SYS phone line, 253-7311. Go to: [www.shallottesoccer.org](http://www.shallottesoccer.org) The deadline to register a player is July 31, 2009

### *Special Populations Program & Special Olympics Events* 2009 Fall Sports Expo

(11/06, 10 am – 1:30 pm, Town Creek Park, Winnabow, NC) The 2009 Special Olympics Fall Sports Expo offers an opportunity for Brunswick County's Exceptional Children to sample and actively participate in the various sports offered by our local program. As well, the event is offered to educate teachers and parents to the many physical, cognitive and social benefits that Special Olympians receive through sport and competition.

#### Community-Based Day Trips

Brunswick County Parks and Recreation will continue to sponsor EC day trips throughout the 2009-10 school year. Through involvement in the community, students with disabilities benefit socially and physically. Teachers are encouraged to contact the Special Populations Coordinator to discuss ideas and scheduling of trips. Trips are available based on funding availability and are limited to (2) per class, per school year. Trips that require money will be limited so please make your trip requests ASAP. Please remember that out of state trips require prior approval from the board of education, and you will also need a driver that has the license to drive for you, out of state. These are your responsibilities. Trip locations may include, but are not limited to, the following:

- Museum of Coastal Carolina at Ocean Isle
- Power of Play, Scooters, Jellybeans, Monkey Joes
- Ingrid Planetarium at Sunset Beach
- Cape Fear Museum
- Local Movie Cinemas
- UNCW Ropes Course or Climbing Wall
- Alabama Theatre
- NC Aquarium at Fort Fisher
- Ripley's Aquarium or Museum
- Railroad Museum of Wilmington
- Alligator Adventure
- Brunswick County Bowling Center

#### Therapeutic Horseback Riding

This program teaches therapeutic and recreational horseback riding to children and adults with special needs. Therapeutic riding uses the equine-oriented activities for the purpose of contributing positively to the cognitive, physical, and social well-being of people with disabilities.

#### Therapeutic Music & Dance

Dance is an expressive art and encourages children with disabilities to be creative, imaginative, explore their inner strengths, improve social skills, improve fine and gross motor skills, and so much more! The dance instructor comes straight to your classroom, so you don't have to go anywhere!

### Special Olympics Participation Guidelines

All participants must have a current Special Olympics Medical and Consent form on file. Please call our offices if you have any questions or to retain a copy of the medical and consent form. The mission of Special Olympics is to provide year-round sports training and athletic competition in a variety of Olympic-type sports for children and adults with intellectual disabilities, giving them continuing opportunities to develop physical fitness, demonstrate courage, experience joy and participate in a sharing of gifts, skills and friendship with their families, other Special Olympics athletes and the community. Special Olympics participation is open to all people with intellectual disabilities who are at least 8 years of age. There is no maximum age limitation for participation. Special Olympics Brunswick County offers Young Athletes programs throughout the year for children ages 5, 6, and 7. Contact the Local Coordinator for more details. All persons who are eligible to participate in Special Olympics activities must complete an athlete participation form. This captures for our records athlete identifying information and medical background and contains a physician's report and certification concerning results of the initial physical examination. A physical examination is required for the first participation form completed. An adult athlete, parent, guardian or caregiver can complete subsequent participation forms unless there has been a significant change in the athlete's health or the answer to any item is yes. In these cases, a physician must conduct a follow-up examination. Participation forms must be renewed every three years. The second portion of the form is the release form concerning medical matters, Healthy Athletes screenings and permissions regarding publicity and it is to be signed by an adult athlete, parent, guardian or caregiver. This must also be renewed every three years. These forms are available at the Brunswick County Special Olympics offices and also should be returned to the same location (see below).

Over 40 people age 55 and older attended this fun day which began with a delicious offering of pastries, bagels, and fruit and continued with participants trying their luck at various sports and games including bocce, shuffleboard, bag toss, horseshoes, and tennis. Later, many competed for prizes in the "Cakewalk" and "Dance off". Prizes were also given to those lucky enough to be deemed "Best Holler", "Tallest/Shortest Persons", "Youngest/Oldest Persons", and "Most Newly Married /Couple Married Longest".
